It's time to think summer! We are excited to announce registration for our preschool summer fun program which will run weekly for six weeks offering four mornings or four full days of fun and is open to all preschoolers, incoming Young Learners and toddlers, too! Children new to CCNS are also invited to join! Groupings will be determined by age and every effort will be made to honor special requests within same aged groupings, provided registration is done in a timely manner. Group sizes for our summer program will be 12-14 children.

***** We accept toddlers who have turned one by 1/1/2021 through kindergarten, age six. *****

Our Summer Fun Program will feature a sensory-based theme each week. Water play will be included on all sunny days. **Children should come with lots of extra clothes, all labeled, because they will get wet and messy!** A mid-morning snack will be provided. A parent newsletter, special CCNS summer t-shirt and exciting group learning experiences will enhance each of our weekly themes.

Thursday Fun Days will include water sprinkler play! Children are welcome to wear their bathing suits and bring a small towel from home on all sunny Thursdays.
